Description

The course leads you from level A1 of the Common European Framework of Reference for languages.

We will guide you step by step through the different objectives and requirements of the A1 level. It is meant for students with English as a native tongue (it has subtitles, translations and documents to print in English)

The course is taught in English /Hindi and Spanish as much as possible to immerse yourself in the language. This will help you to improve your listening skills.

In this course, you will find

- A shared Google doc from the teacher to give you in detail notes and corrections done in the class each day.
- Powerpoint animations with grammar or vocabulary descriptions
- Conjugation lessons with ready-to-use phrases
- Audio and oral exercises to practice your listening and pronunciation
- lots of quizzes to check what you learnt
- Plenty of PDF documents to print (to recap lectures, list vocabulary or have conjugated verbs printed)
- A few Spanish songs to study
- Spanish Free Speaking workshops held by the company on various Topics to fully immerse into the language and practice speaking.

Who this course is for:

- Students who are complete beginners in the language.
- Students who finished the schooling years of 8th to 10th in French.
- People who have already studied French at a basic level and want to refresh their knowledge and continue to learn
- Students who wish to prepare themselves for DELE exams.
